## Professional Experience

---

### Mid-level Frontend Developer - Script Specialist, Hogarth

03/2023 – present  
Remote, London, UK

#### Uplift Employee at Apple

I develop and localize the website of **Apple** for 51 countries including US. I build internal web apps for Hogarth. Also, I write script codes and develop Chrome extensions and desktop applications(tools) for Apple's various teams through github.pie.apple to accelerate their work.

### Web Development, Freelance

03/2022 – present  
İstanbul, Turkey

I develop full-stack mobile-web projects from zero or support to Frontend for existing projects. (CarrefourSA, Dünyagöz, Easy FishOil, Ziv4, LogPress, AltınKöprü, dremremetin.com, MRHYA etc.)  
Node.js/Typescript/Next.js/React.js/React Native/Expo

### Frontend Developer, Epigra

08/2022 – 01/2023  
Remote, London, UK

My role was coding the UI, state management, component architecture, etc. I took massive responsibilities for our big projects (Arçelik PTV and Internal Projects) and managed this situation well.

### Frontend Developer Intern, Epigra

05/2022 – 08/2022  
İstanbul, Turkey

I learned so much stuff about Frontend with Vue.Js. I was working on small tasks like issue fixing.

### Jr. Frontend Developer Trainee, Brainnest

04/2022 – 06/2022  
Bremen, Germany

I worked on business cases based on current or past Brainnest projects to get experience in professional projects. Also, they gave me an education about Frontend Development.

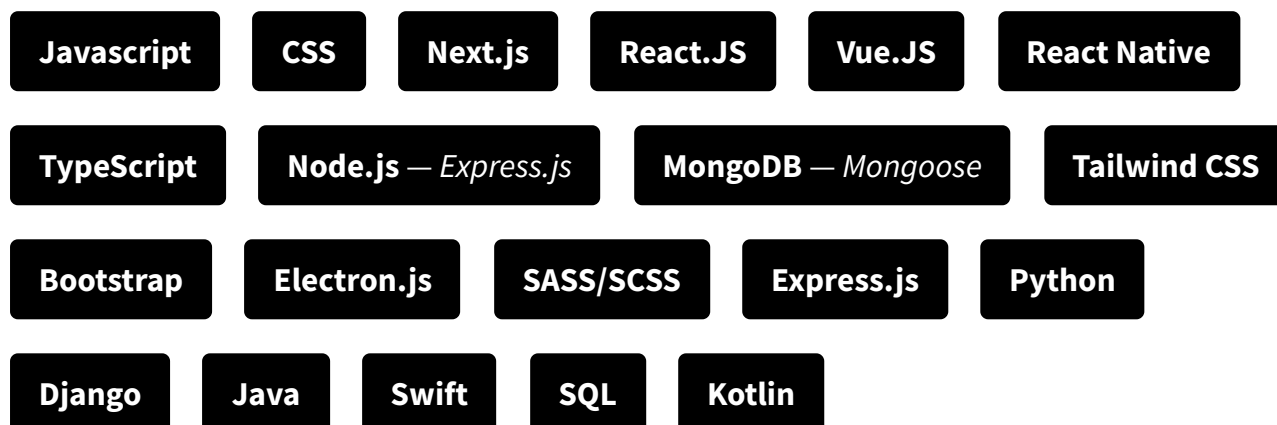

## Private Python Teacher, Freelance

10/2021 – 05/2023

I provided paid tutoring sessions to university students, assisting them with Python homework and exam preparation.  
(Pandas/NumPy/SciPy)

To whom it may concern: I am pleased to write a letter of recommendation for Kerem. He was my student in the Front-end Web Development Training Program for the past four weeks, and I believe that I am in a solid position to recommend him. As his tutor, I have had an opportunity to observe his participation and interaction in class and to evaluate his knowledge of the subject matter. He is an outstanding student in all respects. He has proven that through hard work, follow-through, and teamwork, he can accomplish tasks in a courteous and timely manner. He is well equipped to grow from the challenges that he is presented with. His proactivity, good staging, and fast learning skills prepare him beautifully for your organization. I strongly endorse making Ali Kerem Ata a member of your team.
